## ABOUT THE PROGRAM

'Women for Scientific Social Responsibility' is an innovative Program Launched by CG SHAKTI, An NGO working for women empowerment through Science. It will not only empower women from underrepresented groups, but will also give the female scientists and researchers of our state a chance to forge strong professional networks and assume leadership roles by serving as mentors to the under privileged women.

## Women Scientist Round Table Conference On

# Women For Scientific Social Responsibility (WSSR 2024)

Celebrating International Women's Day, 2024

### About Centre for Women's Studies, Pt. Ravishankar Shukla University, Raipur

Centre for Women's Studies came into existence in 2001 in Pt. Ravishankar Shukla University, Raipur and was recognized by UGC in 2011-12. The centre works to educate, train, sensitize and empower students and others stake holders on issues related to gender. The centre is designed to act as a catalyst for promoting and strengthening women through teaching, research field, extension work, and training etc. The CWS runs two certificate courses, and it has been associated with UNESCO Chair on Community Based Participatory Research (CBPR) and has established a hub on K4C (Knowledge for Change). It also has a network with institutions and agencies working for women.

### About Shakti A National Movement for Women

SHAKTI – A National Movement for Women, was established in Kochi (Kerala) in the year 2003, by the inspiration of VijnanaBharati, a Swadeshi Science Movement, the motto of which is 'Science and Technology for Social Harmony'. SHAKTI was formed with the vision to unite the women of Bharat for social, intellectual, cultural and economic development of women in particular and Bharat in general. SHAKTI works for women with Science and Technology as a tool. SHAKTI works on the sacred concept of 'Ardhanareeshwara', acknowledging the complementary role of men and women in the progress and development of our Nation.

### OUR VISION

- Connecting Science and Society through the transfer of scientific knowledge As our 'Scientific Social Responsibility' '
- Mentoring Women in Science broadening their leadership skills and professional networks.
- Bring together women in science to mentor deprived members of society through scientific and technological intervention.

### ACTIVITIES

- Round Table Conference: sharing their ideas and showcasing their research in presence of some eminent scientists
- Innovation Café and Innovation Mela : Interaction with women innovators and entrepreneurs for sharing of ideas.
- Field Work: Each participant Women scientist will choose a group of underprivileged women and work for the transfer of scientific knowledge and skill development.
- The report of the Field work shall be submitted in soft and hard copies/ videos/ CDs and evidences like list of participants with details, signatures of participants, Geotagged photographs, videos etc within next six months (Report format will be shared separately)
