

SHAKTI....

Shakti is a creative movement for women initiated by 'Vijnan Bharati' recognizes the importance of women in the society and in progress of the nation and aims to bring together to awaken their potential and enhance their perceptions of the social, economic, cultural and intellectual aspects of life through involvement with the scientific fraternity to formulate beneficial mechanisms for the betterment of mankind.

OBJECTIVES

- ❑ To enable women to feel empowered and inspired to live their best lives and achieve their highest level of wellness.
- ❑ To aware themselves for their intrinsic qualities that can be helpful in nation building.
- ❑ To aware the importance of culture and traditions to improve wellness.
- ❑ Importance of women's health for their wellness

THEME OF SEMINAR

- ❑ To encourage women to make themselves priority and practice simple wellness ideas to improve their overall well being.
- ❑ To enhance the capability of women to look after the normal health and health education.
- ❑ To encourage and support activities to integrate traditional and modern systems of health care and improve their wellness. The basic culture of the region implies a lot on complete wellness of the women.
- ❑ The wellness of the women makes family happy and prosperous and ultimately the society
- ❑ To provide a platform for sharing the views and knowledge.
